

## Conflict Minerals

Hereby, Boréas Technologies is addressing the Conflict Minerals as defined in Dodd-Frank Wall Street Reform and Consumer Protection Act concerning the sourcing of metals from conflict regions.

To the best of our knowledge and based upon information received from our suppliers, our IC products do not contain any of the so-called 3TG (tin, tantalum, tungsten and gold) that directly or indirectly finance or benefit armed groups in the Democratic Republic of the Congo (DRC) or neighboring countries.

Best Regards,

A handwritten signature in black ink, appearing to read "Aurélie Denoyer", is positioned above a horizontal line.

Name: Aurélie Denoyer  
Title: Production Manager
