

Ozone - Depleting Substances (ODS)

Hereby, Boréas Technologies is addressing the U.S. Environmental Protection Agency (EPA), regarding the Ozone Depleting Substances (ODS), which prohibits processing and shipment of products containing such substances.

To the best of our knowledge and based upon information received from our suppliers, our IC products do not contain chemicals that Deplete the Ozone Layer (<https://www.epa.gov/ozone-layerprotection/ozone-depleting-substances>), in accordance with the Montreal Protocol:

- Class I ODS (Clean Air Act; such as CFCs)
- Class II ODS (such as HCFCs)

Best Regards,

A handwritten signature in black ink, appearing to read "Manuel Picard", is written over a horizontal line.

Name: Manuel Picard
Title: Director of Production
